**SEE CONTEXT AND MAKE CONNECTIONS... ACROSS THE HUMANITIES**

*The Humanities: Culture, Continuity & Change*, 2e helps students see context and make connections across the humanities by tying together the entire cultural experience through a narrative storytelling approach. Written around Henry Sayre's belief that students learn best by remembering stories rather than memorizing facts, it captures the voices that have shaped and influenced human thinking and creativity throughout our history.

With a stronger focus on engaging students in the critical thinking process, this new edition encourages students to deepen their understanding of how cultures influence one another, how ideas are exchanged and evolve over time, and how this collective process has led us to where we stand today. With several new features, this second edition helps students to understand context and make connections across time, place, and culture.

This Books á la Carte Edition is an unbound, three-hole punched, loose-leaf version of the textbook and provides students the opportunity to personalize their book by incorporating their own notes and taking online the portion of the book they need to class — all at a fraction of the bound book price.
