Western Civilization: Ideas, Politics, and Society, 10th Edition with Additional China Content

WESTERN CIVILIZATION, Tenth Edition, maintains a firm grounding in political history, while covering intellectual history (particularly the significance of ideas and contributions) to greater and deeper extent than any other text for the course. Known for its accessible writing style, this text appeals to students and instructors alike for its brevity, clarity, and careful selection of content including its enhanced focus on religion and philosophy. Updated with more recent scholarship, the Tenth edition retains many popular features, including comparative timelines, full-color art essays, profiles, and primary source excerpts in each chapter. New technology resources, including CourseMate with interactive eBook, make learning more engaging and instruction more efficient.
