For Brittney Ann Little, getting into college was the easy part. Everything that came after that, however, was not the cakewalk she had anticipated. From normal days cheering on the football team, to dealing with stalkers, to even tragic, life-threatening situations, Brittney takes readers through the toughest four years we all have ever loved: the four years of college. Join Brittney in this sarcastic, witty, and often times exciting journey through the roller coaster that is university life. They say, "What doesn't kill you makes you stronger;" but, stronger or not, what doesn't kill you still makes a pretty good story.
